

# E27 PENDANT LAMP

FURNITURE / LIGHTING / ACCESSORIES

**MATTIAS STÅHLBOM ON THE DESIGN** "The simplicity of the naked bulb is hard to compete with. It stands for something that feels romantic and contemporary at the same time. E27 departs from the essence of a lamp - the socket - creating a simple yet strong object that celebrates the potential beauty in simplicity."

# PRODUCT FACT SHEET

## PROCESS

E27 is pressed in vulcanised silicone rubber under high temperature. The cord is extruded. Inside socket and cord is assembled by hand.

## DESIGNED BY / YEAR OF DESIGN

Mattias Ståhlbom / 2008

## TYPE

Pendant lamp
